The Honorable Kay Granger, Chairwoman  
House Appropriations Committee

The Honorable Rosa DeLauro, Ranking Member  
House Appropriations Committee

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Brave Buttons: Overdose Prevention in fiscal year 2024. The entity to receive funding for this project is the San Francisco Department of Homelessness and Supportive Housing, located at 440 Turk Street, San Francisco, CA 94102. The funding would be used to install safety buttons in approximately 9,500 supportive housing units to support formerly homeless tenants if they are using substances alone or are at risk of overdose. The project is an appropriate use of taxpayer funds because it would reduce the risk of overdose deaths by enabling tenants to call for assistance quickly.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

  
NANCY PELOSI
